

Oviparous

(♫Tune: Mickey Mouse Song)

There's a word that we have heard and YOU
should learn it too!

Oviparous! Oviparous! They lay eggs for you!

Oviparous...egg layers! Oviparous...egg layers!

It is a word and we have heard it's true,
true, true!

So come along and join this song for all egg
layers too.

Oviparous! Oviparous! They lay eggs for YOU!
