

How to Make Fingerspelling Cards and Name Ticket Models

We recommend mounting and laminating these (with fingerspelling on one side and Name Ticket models on the other). Make them all the same color and size to fit into a pocket chart. Students fingerspell and name letters daily.

The *Fingerletters* font may be purchased from Educational Fontware, Inc. 1-800-806-2155. Go to www.educationalfontware.com, on left side of page click on "Buy New Academic Single User License;" in center of page, scroll down to "Nellie Edge Special - Finger Letters only, no CD, \$5." Click on "Buy Now" (with credit card.)

How to make name/fingerspelling cards:

1. Insert a one-column table into the document.
2. Use *Ball-and-Stick* font (or similar, such as *Century Gothic*) for letters in approximately size 80-90 font, bold. Size will depend on length of name.
3. Place a space between each letter.
4. For fingerspelling underneath, use font *Fingerletters* in approximately size 90 (or a size that matches the letters above it). Center justify. For ease in reading, do not bold *Fingerletters*.

The *ZB Manuscript with Arrows* font may be purchased from Zaner-Bloser. www.zaner-bloser.com/zb-fontsonline-plus. This online program allows you to create worksheets in manuscript and/or cursive. **We do not expect children to prematurely write on traditional forms of penmanship paper** that displays the dotted mid-line as this may not be developmentally appropriate for most children until late kindergarten or first grade.
