

# Grow Your Kindergarten Writers Scholarship for National Board Certified Teachers and This Year's Nellie Edge Workshop Participants

Dear Kindergarten Teachers,

We have enjoyed connecting with many National Board Certified Teachers over the years and share their passion for excellence. We honor NBCTS professionalism by offering you partial scholarships to our Nellie Edge Summer Kindergarten Writing Institutes. **We also honor those PreK-1 teachers who have studied writing with us this year.** Thank you teachers!

*Nellie Edge Seminars helped mold me into the accomplished teacher I am today. I became a Nationally Board Certified Teacher because of the type of classroom and teaching style I have. I wouldn't have this style without Nellie Edge!*

-Katy Anholt, NBCT

Act now: **Save \$200 on Writing Institute Registration!** Limited space! Available to you on a first-come, first-serve basis. After I've received your application, I will email you **the code** for both the Writing Institute AND complimentary Nellie Edge Online Seminars registration.

You will learn how to raise writing achievement:

- Strengthen your writing workshop
- Create a culture of high expectations and joyful learning
- Develop a strong "Parents as Partners" program
- Understand the stages of early writing development
- Use authentic assessment to drive instruction
- Experience ways to talk to kindergartners about their writing that nurture a growth mindset
- Learn guided drawing and illustration technique

Our dream for kindergarten teachers across the country is that we raise our expectations and embrace high-impact, proven writing practices that are authentic, joyful and involve parents as partners. Join us as we explore these best kindergarten writing practices.

Read Nellie Edge's Teaching Philosophy and peruse the [Writing](#) page to see our philosophy in practice.

Email Nellie Edge at [info@nellieedge.com](mailto:info@nellieedge.com) and tell us where you teach, what your specialty is, and why you are choosing Nellie Edge Professional Development.
